OFFICE NEWS

CARECUTS ONESTOP RESOURCE FAIR

The Knox County Community Service Program would like to highlight our partnering agency, CareCuts Ministry and former KCCSP Participant, Eric! KCCSP and CareCuts entered an alliance in July 2023. Many of the KCCSP Participants choose CareCuts to complete their community service. Each quarter, CareCuts holds a OneStop Resource Fair providing services for Knox County's unhoused population. These services include health screenings, housing assistance, substance use treatment and recovery support as well as many social services.

During the Fair on July 9th, our Community Service Program Director, Elizabeth White, ran into a former Community Service Program Participant, Eric. He completed the KCCSP in May 2025. Nonetheless, he continues to offer his time volunteering at CareCuts on a weekly basis. This is one of the defined outcomes of KCCSP. Besides completing your program requirements, our intention is for the participants to continue strengthening the community and paying it forward. Knox County Community Service Program would like to tell Marti and Eric, "Great job and kudos to you! Your commitment and dedication are making a difference in the lives of others."
